**Request for article for publishing in scientific magazine 'BioQuest'**

Institutional Biotech Hub, CMER&TI, Central Silk Board, Lahdoigarh will be publishing a 'Scientific Magazine cum Newsletter' namely "BioQuest" from July 2017 onwards with an aim to disseminate knowledge and awareness on Biotechnology and allied areas. We strongly believe that contribution from interested individual or group will greatly enrich the content of the newsletter and encourage and motivate the young minds in this region of India. The first issue will be released in July 2017. The magazine is featuring articles from Scientists, Academicians, Innovators, Entrepreneurs, Govt. officials, Research Scholars, Students in various aspects of biotechnology and allied areas and current developments in this broad spectrum field.

Articles, innovation, success stories, News items etc. are invited in the field of Biotechnology and allied areas for publishing in the 1<sup>st</sup> issue of the magazine to be published in July, 2017 and also for subsequent issues. Details of the requirement of the articles are given below as well as in the institute website: [www.cmerti.res.in/News&Events](http://www.cmerti.res.in/News&Events) .

Length/Size of articles/success stories: 1-3 pages in A4 size page (with standard margin); for New items: ½ - 1 page

Font size: 12 point

Font style: Times New Roman

Line spacing: 1.5

File format: MS Word (Photographs related to the article may also be given within the article and send a jpeg image separately).

Any interested individual or group can send their contributions to the email id: [cmerti.bthub@nic.in](mailto:cmerti.bthub@nic.in) for July 2017 issue which should reach by 20<sup>th</sup> July 2017. Articles received in the later dates will be published in the corresponding issues. For any other details, please contact Dr. M. Chutia, Editor in Chief, BioQuest, CMER&TI, Central Silk Board, Lahdoigarh, Jorhat-785700, India; Email: [mahanaba@yahoo.co.uk](mailto:mahanaba@yahoo.co.uk) Mobile: +91-9435704853.
